The Sheriff's Office utilizes Reserve Deputies to supplement regular full time deputies in the performance of their duties. Reserve Deputies provide additional resources, backup and assistance as needed. Reserve Deputies also have the opportunity to work in a variety of assignments and locations within the Sheriff's Office's jurisdiction.

Reserve Officers are volunteers that may work as little as 16 hours per month and not usually compensated for standard duty time. Reserve forces are comprised of individuals who want to contribute to the safety and well being of their community as well as those who desire to work in a law enforcement career. Many law enforcement agencies consider the merits of their experienced reserve officers for recruiting for full-time positions.
